

STATEMENT OF TUITION ASSURANCE

This Statement of Tuition Assurance protects the interest of current and intending students of Learn to Fly's courses that lead to an award/qualification in that it ensures students are given a suitable alternative course or have their course fees refunded if LTF cannot provide the course for which the student has paid.

LTF also conforms to the requirements of the Tuition Protection Service (TPS) established by the Australian Government for:

- overseas students on an Australian student visa
- eligible domestic students accessing FEE-HELP, and
- domestic VET students who pay their fees directly to LTF.

As an approved vocational education provider under the Standards for RTOs 2015 (Australia), a CRICOS provider for approved courses (Australia), under the Education Services for Overseas Students Act 2000 (Australia), LTF must meet the corresponding tuition assurance requirements or be exempt from those requirements. LTF and/or the TPS will ensure that students are able to either:

- complete their studies in another course or with another education provider,
- receive a refund of their unspent tuition fees, or
- receive a remission of their loan for open units of study (FEE-HELP)
