

# **GRADE 1 & GRADE 2 TRAINING ENDORSEMENT**

## **TAKE YOUR FLIGHT INSTRUCTOR CAPABILITIES TO THE NEXT LEVEL**

#TheSkylsCalling  
**TAKE YOUR ABILITIES TO  
THE NEXT LEVEL**

As you progress as a Flight Instructor and your experience grows, so too should your knowledge and your ability to teach. It's also important for you to take on additional responsibilities, and be able to endorse and approve critical student pilot training steps.

Completing a **Grade 1 or Grade 2 Training Endorsement** will take your Flight Instructor abilities to the next level and allow you to progress your aviation career even further.

# EXPAND YOUR ROLE AS A **FLIGHT INSTRUCTOR**

With a **Grade 2 Training Endorsement** you can approve first solo flights, conduct flight reviews for ratings, assess student knowledge deficiency reports for licence and rating grants, and grant endorsements on RPLs.

A **Grade 1 Training Endorsement** expands on that even further, allowing you to supervise holders of both Grade 2 and 3 Training Endorsements and deliver instructor training for a Grade 2 Training Endorsement.

## OUR GRADUATE: CLEMENT SUEN

*“The Grade 1 and 2 Training Endorsements cover advanced Flight Instructor concepts and responsibilities like sending a student solo for the first time. Grade 1 and 2 instructors are expected to explain concepts more clearly and in greater depth. The LTF courses are interactive, with experienced instructors providing support and valuable feedback to help me improve my briefing skills, which then helps my teaching” – Clement Suen, Grade 2 LTF Flight Instructor*
